SACRAMENTS

Baptism:

All arrangements, including confirmation of the date, must be made with the parish office.

Sponsors must provide proof of eligibility by a letter from their respective pastors, must have received the Sacraments of Baptism, Communion and Confirmation. Sponsors, if married, must either be married in the Church or with the Church's permission. Parents must attend Baptismal Preparation, which is regularly scheduled throughout the year.

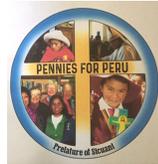

Marriage:

Arrangements must be made directly with the pastor at least 6 months before the date of the wedding. Marriage preparation is required and couples are asked to speak to the priest first before setting a date. Couples, rather than parents, should contact the priest. If either party was previously married, an annulment must be granted prior to the selection of a future wedding date.

Bishop Malesic invites all couples celebrating their 50th Wedding Anniversary during the calendar year 2019 to participate in a special Golden Jubilee Mass to be held at the Blessed Sacrament Cathedral on Sunday, September 22, 2019 at 3:00 p.m. The Jubilarians, their children, relatives or friends **should contact the parish office at 724-479-9542, ext.**

10 on or before Thursday, August 1 to register couples for this celebration. Even though they may not be able to attend the Mass, they will receive a scroll signed by the Bishop commemorating their anniversary.

Pennies for Peru

What is Pennies for Peru? Pennies for Peru is a fundraiser for the people of Sicuani, Peru, located in the Andes Mountains. As a US citizen, sometimes we become blind to the hardships that are occurring in other countries, but that is why Pennies for Peru is such a good idea. The people of Sicuani are suffering and very few people knew about it until 1964, when Bishop William G. Connare began a partnership with the diocese in South America and started to make visits there. At that time, he decided they needed our help to meet their needs. Although that helps, they still have many hardships from things they can't control. The sun is a big issue. Children and adults are severely sunburned. The Andes mountains are at such a high altitudes, that the sun easily penetrates through the atmosphere. They don't have sunscreen which leads to a high occurrence of skin cancer. Despite the hardships the people of Sicuani face, they still manage to keep the Catholic faith alive. Out of the 274,000 people there, 85% are Catholic but since the villages are so remote and the conditions of the roads are bad, it is hard for them to make it to Mass more than once a year but that is what shows the deep faith they have for the Catholic religion. We all share the same faith, so why not help others help themselves by donating to the people of Sicuani today. Boxes are located at the all entrances of each worship site. **Make checks payable to "Our Lady of the Assumption" and include "Pennies for Peru" on the memo line.** This is a project of the students preparing for the Sacrament of Confirmation.

Sincerely,
6-8 grade Faith Formation
