Pennies for Peru

What is Pennies for Peru? Pennies for Peru is a fundraiser for the people of Sicuani, Peru, located in the Andes Mountains. As a US citizen, sometimes we become blind to the hardships that are occurring in other countries, but that is why Pennies for Peru is such a good idea. The people of Sicuani are suffering and very few people knew about it until 1964, when Bishop William G. Connare began a partnership with the diocese in South America and started to make visits there. At that time, he decided they needed our help to meet their needs. Although that helps, they still have many hardships from things they can't control. The sun is a big issue. Children and adults are severely sunburned. The Andes mountains are at such a high altitudes, that the sun easily penetrates through the atmosphere. They don't have sunscreen which leads to a high occurrence of skin cancer. Despite the hardships the people of Sicuani face, they still manage to keep the Catholic faith alive. Out of the 274,000 people there, 85% are Catholic but since the villages are so remote and the conditions of the roads are bad, it is hard for them to make it to Mass more than once a year but that is what shows the deep faith they have for the Catholic religion. We all share the same faith, so why not help others help themselves by donating to the people of Sicuani today.

Sincerely,

6-8 grade faith formation
